

# SU'AALAHAA BADANAA LA ISWEYDIIYO EE TALLAALKA COVID-19

La cusbooneysiya Luulyo 9, 2024

**COVID-19 wali dadka wuxuu u keenaa jiro, u horseeda in isbitaal la dhigo ama inay dhintaan— sidaa darteed, waa wax muhiim ah in qof walba ee qaadan kara waa inay qaataan.**

## ? Haddii aan horey u qaatay tallaalka, miyaan wali u baahanahay inaan markale tallaalka qaato?

**Haa,** Qof walba ee ah da'aha 6 bilood iyo ka weyn waa inay qaataan tallaalka 2024/2025 ee COVID-19 ilaa iyo inta laga joogo laba bilood tallaalkoodii ugu dambeeyay ee COVID-19. Haddii aadan hubin, weydii dhakhtarkaaga ama ka hubi websaydhka CDC wixii macluumaad dheeraad ah.

## ? Waa maxay saameynta ka imaan kara tallaalka 2024/2025 ee COVID-19?

**Mid la mid ah kuwa tallaalkada COVID-19 ee kale, saameynta ugu badan waxaa ka mid ahaan kara:**

- Daal
- Xanuun, guduudasho, iyo barar ku yimaado goobta la duray
- Madax-xanuun
- Muruq xanuun

## ? Miyaan qaadan karaa tallaalka hargabka iyo tallaalka COVID-19 isku wakhti?

**Waad** qaadan kartaa oo waa inaad qaadataa wixii tallaalo ah ee kale ee wakthigooda la joogo isla booqashada.

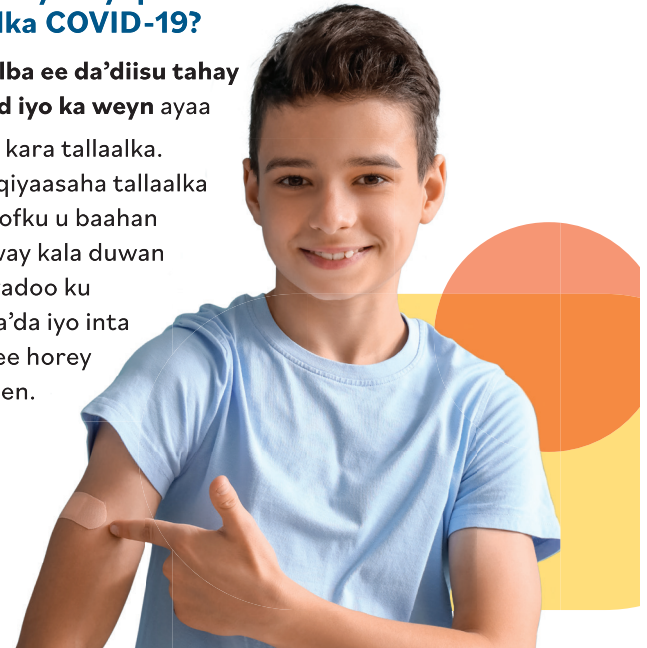

## ? Maxaan ugu baahanahay tallaalka kale ee COVID-19?

**Fayraska COVID-19 wuu isbeddelay** ilaa iyo inta la joogo tallaalkii ugu horeeyey ee COVID-19. La socoshada tallaalkada COVID-19 waa habka ugu wanaagsan ee looga fogaado isbitaal dhigista, dhimashada, iyo xaaladaha kale ee caafimaadeed ee mudada dheer ee uu keeno caabuqa COVID-19.

## ? Yey tahay inay qaataan tallaalka COVID-19?

**Qof walba ee da'diisu tahay 6 bilood iyo ka weyn** ayaa

qaadan kara tallaalka. Tirada qiyaasaha tallaalka ee uu qofku u baahan yahay way kala duwan yihiin iyadoo ku xiran da'da iyo inta qiyaas ee horey u qaateen.

Macluumaadkan waxaa la sameeyay iyadoo lala kaashanayo Illinois Chapter, Akadeemiyada Maraykanka ee Dhakhaatiirta Carruurta (American Academy of Pediatrics) iyadoo la adeegsanayo maalgelin uu suurtagaliyey Xafiiska Xakamaynta Cudurrada (Office of Disease Control), iyada oo loo sii marayo Waaxda Caafimaadka Dadweynaha ee Illinois.) Illinois Department of Public Health.)

# SU'AALAHAA BADANAA LA ISWEYDIIYO EE TALLAALKA COVID-19

La cusbooneysiya Luulyo 9, 2024

## Xagee baa ka qaadan karaa tallaalka COVID-19?

Goobta ugu wanaagsan si aad u hubiso waa xafiiska dhakhtarkaaga! Sidoo kale waxaad ka hubin kartaa farmashiyahaaga maxaliga ama booqo **vaccines.gov** si aad u eegto goobaha tallaalka lagu bixiyo ee kuu dhawo.

## Miyaan dooran karaa tallaalka aan qaadanayo?

Dadka badan kood waxay kala dooran karaan Moderna, Pfizer, iyo Novavax (Novavax waxaa kaliya heli kara kuwa da'doodu tahay 12 sano jir iyo ka weyn). Iyadoo sidaa tahay, waa inaad qaadataa wixii tallaalka ah ee aad heli kartid!

## Waa imisa qiimaha tallaalka COVID-19?

Nasiib darro, tallaalka COVID-19 ee la cusbooneysiya uma aha lacag la'aan dadka oo dhan dib dambe. Waa kuwan fikraddo ah imisa ayaa laga yaabaa inuu qiimaha tallaalka COVID-19 idinku yahay adiga iyo qoyskaagaba:

### Tallaalka Carruurta

Haddii uu ilmahaaga uu ka diwaangashan yahay ama u qalmo barnaamijka Tallaalka Carruurta (Vaccines for Children (VFC)), waxay awoodi doonaan inay ku qaataan tallaalkadooda lacag la'aan.

### Daboolida Caymiska ee Tallaalka COVID-19 Wuxuu Lamid Yahay Tallaalka Kale

Dadka haysta caymiska gaarka ah ama gobolka/federaalka, waxay u badan tahay in qorshahaagu uu dabooli doono qiimaha tallaalka COVID-19. Waxaa laga yaabaa inaad bixiso qiimo yar, lamid ah inta aad ku bixiso tallaalka kale. Mar walba waxaad ka hubin kartaa bixiyahaaga caymiska kahor intaadan tallaalka qaadan.
